

AN UNDERWHELMING QUONSMAS QUEST

An underwhelming
Quonsmas quest

Presented by
An "Anonymous" MeFite

*his story takes place in the far
flung town of Brentford.*

*There are many stories of great palaces, noble
princes and wondrous sights from exotic places.
This is not one of those stories, they all happen
on the other side of the river in Kew.*

*The quest began when I discovered that
Hogate had:*

VERY SPECIFIC DEMANDS FOR SLIGHTLY
SHITTY BUT FUNCTIONAL COFFEE THAT
US GROCERY STORES CANNOT SUPPLY,
BUT WHICH COVER HALF AN AISLE AT
MORRISONS

*Now Brentford boasted many things, an
excellent Chinese buffet, a musical museum, a
horde of ships, but most famously of all, there
was a Morrisons!*

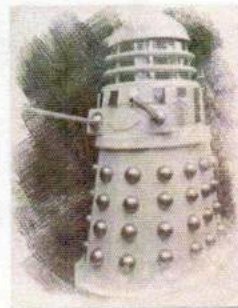

And so, the quest begins!

The Gateway to Brentford is the great tower of the steam museum the home of the world's

largest collection of working Cornis engines, including the Grand Junction 90 inch, the largest such engine in the world.

In earlier times it was one of London's greatest pumping stations, but in 1963 it was attacked by rival Dalek factions. This culminated in the destruction of Skaro, one of the earliest salvos in the Time War.

The battle between the Imperial and Renegade Daleks was perhaps the most recent battle of Brentford, but by no means it's first.

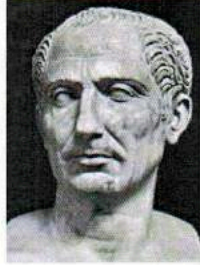

Fortified by Kew Steam Ale, an exclusive ale that can be found in no other place but here. I ventured forth into Brentford, a land of great battles.

Brentford War Memorial

54 BC

Julius Caesar vs Cassivellaunus

Julius Caesar invades Britain, fording the Thames at Brentford to fight (and defeat) the assembled British hordes commanded by Cassivellaunus.

1016

Edmund Ironside vs Cnut The Great

Edmund defends his father (Ethelred the Unready)'s lands and though he won the battle, he ultimately lost the war.

1616 / 1995

Disney vs Historical Accuracy

In 1616 Pocahontas and her husband lived in Brentford. In 1995 Disney forcibly relocated her, to our hearts.

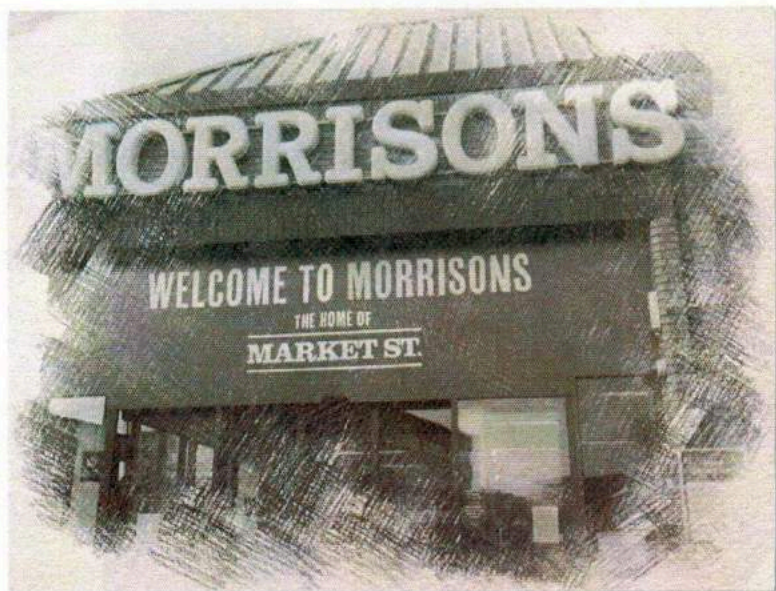

1642

Roundheads vs Cavaliers

On November 12th Prince Ruperts Royalist troops attacked the Parliamentarians capturing their leader John Lilburne. Then they sacked the town.

Finally after all that battle I reached my goal.

Morrisons!

I delved deep in search of the prize...

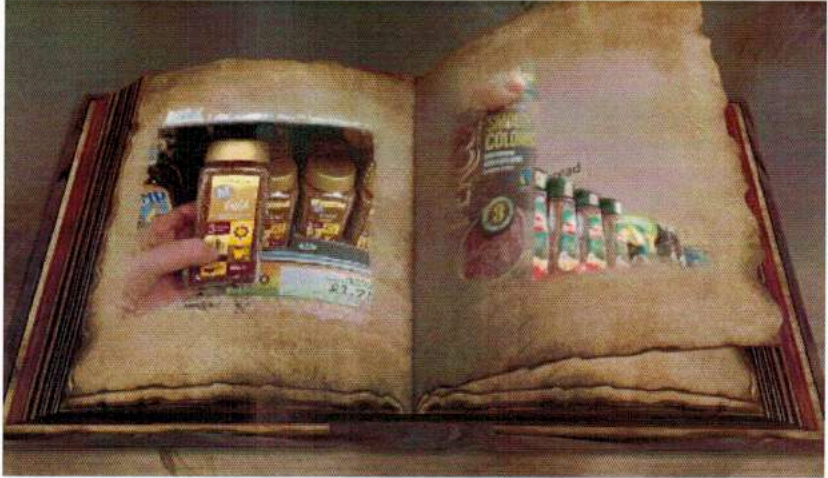

*until finally I was face to face with the fabled
half an aisle!*

But which to take, so many to choose from.

The old texts weren't clear.

So with one in each hand I fled.

*All that stood between me and my freedom was
the fearsome guardian.*

The battle was epic.

*But at long last, I was victorious. The shitty
instant coffee from Morrisons was mine.*

And now it is yours.
